Credit Card Fee Code & Amount

Select a "P" to print the receipt

## HOW IT WORKS:

You simply select "V" as the transaction type; enter your Standard Fees or Fee Code(s) and press "Enter". The system will prompt you to slide the payee's card or enter their card number. The card will be verified and you will return to the receipt once it has been paid and a fee code of "CRD" will be added to the customer's charges and to the receipt screen. You can then press "P" to print the receipt.
